# FLOWER POWER

**THE PARTY** Casa Design hosted fête Step Into Our Garden to celebrate the grand opening of the new Outdoor Furniture Showroom. **DETAILS, DETAILS** Attendees arrived at the red carpet entrance fashionably dressed in an abundance of color to complement the decor of greenery, dandelions and butterflies. After snapping photos, a tour of the new showroom and collections were given, featuring the newest brand addition of Paola Lenti—the Italian furniture brand is exclusively represented by Casa Design in Boston. Other notable brands include Kettal, Roda, Tuuci, Extremis, Manutti, Royal Botania and Vondom, among many more. **THE PINNACLE** Between tours, celebrations and good times were had over passed hors d'oeuvres, a wine bar and a gin bar. Italian DJ Samuspina entertained in the after party lounge, which took place in a separate showroom next door. Before heading home for the evening, guests were ushered to the flower shop to retrieve a complimentary and custom bouquet for their home.
